

# RURAL URBAN SYNTHESIS SOCIETY

## Hub Garden Wish List

Below are various items we need for the Hub Garden

Hand tools in good condition  
Hose and connectors  
Water butt and connectors  
Seedlings (anything that will thrive in deep shade)  
Hand tools: forks, spade, shovels,

### What we already have:

Wheelbarrows x 2  
Watering can x 1  
Spade x 1  
Compost bin x 1  
Power tools: drills  
Hand tools: handsaws

### Gardeners will need to bring their own:

Any hand tools necessary for the job you want to do  
Gloves  
Work Boots/wellies  
Lunch!  
Steel toe capped boots and hardhats may be required for the main site (separate instructions will be given for the main site clearance project)

### Important!

We ask all volunteers to leave the tools safely inside the Hub, remove any PPE, take all personal items including rubbish away with you and finally, to clean the floor of mud or water when leaving the space.

Volunteers are reminded all visitors to the hub are **not permitted to park cars anywhere on Church Grove** so we prefer guests visitors to arrive on foot, by bike, or by public transport.

Garden waste is always to be composted or left in other designated waste areas as instructed.
