## About RUSS

RUSS is a Community Land Trust that builds sustainable, permanently affordable and community-led housing in London. Established in 2009, it has grown from a small group of friends meeting around a dinner table to an organisation with over 1000 members, widely regarded as a pioneer in the community-led housing sector.

We empower residents to shape all stages of development, from design to construction. By learning and working together, residents form a collaborative community who take on the ongoing stewardship of completed developments.

In October 2021, we started construction of our first development at Church Grove in Lewisham, due to be completed summer 2023. **Church Grove is a pioneering scheme of 36 new affordable homes**, with an 'affordability in perpetuity' model in place that means they remain genuinely affordable for future generations. The homes will be available on a mixture of tenures, including shared ownership, affordable rent and social rent. The development includes a communal garden, a publicly accessible playground, shared facilities including laundry, office and a guest flat. A group of future residents have co-designed the scheme and are currently fitting out a number of the flats.

We spread our model and support the community housing sector through the **RUSS School of Community-Led Housing** with a calendar of public events. The School delivers a rotating programme of modules sharing the lessons from RUSS's many years of experience on how to set up and run a community-led housing project.

Our **Community Hub** in Lewisham, built by over 90 volunteers in 2019, serves as RUSS's administrative base. It is also available for hire to individuals, groups and organisations as an affordable, innovative hot-desking, meeting or event space. The Hub has hosted events for London Open House for a number of years and teaching sessions for the Lewisham School of Muralism. RUSS volunteers have recently secured permanent Planning Consent for the Hub, so our community and future residents can benefit from the space for years to come.

More information on RUSS can be found on our website at <https://www.theruss.org>

In addition to our volunteers, who are the heart of our organisation and deliver on a wide range of projects and tasks, RUSS has recruited an interim Managing Director, Client Representative for our residential scheme, Core Support/Administrator, Volunteer Manager, Bookkeeper and Self-Build Manager.

In the coming year we will:

- Oversee the successful completion of our Church Grove housing development
- Develop and implement the housing management strategy for the Church Grove homes, partnering with an existing Registered Provider that shares our values
- Continue to implement the allocations process for the Church Grove homes, including managing waiting lists and completing financial assessments, sales and lettings
- Seek out future sites for new RUSS community housing developments
- Expand the education offer at the RUSS School of Community-Led Housing
- Implement our 2023/4 Business Plan

## Governance

RUSS is a registered Community Benefit Society with charitable status. As of 2023, RUSS has over 1,000 members, many of whom live and work in the Lewisham area. As an organisation, RUSS is governed by the RUSS rules, which are based on the model rules for Community Land Trusts.

RUSS is ultimately led by its members. Anyone can become a member by buying a community share for £1. Each member has one vote in key decisions, including the appointment of members of the Board of Trustees.

RUSS's Board of Trustees are collectively responsible for setting the overall strategic direction for the organisation, monitoring performance against its strategic objectives and ensuring that the organisation's resources and finances are being managed effectively. Some elements of the Board's work are carried out through sub-committees and working groups, which can be made up of trustees, staff and volunteers.

Details of our current Board of Trustees can be found on our [website](#).

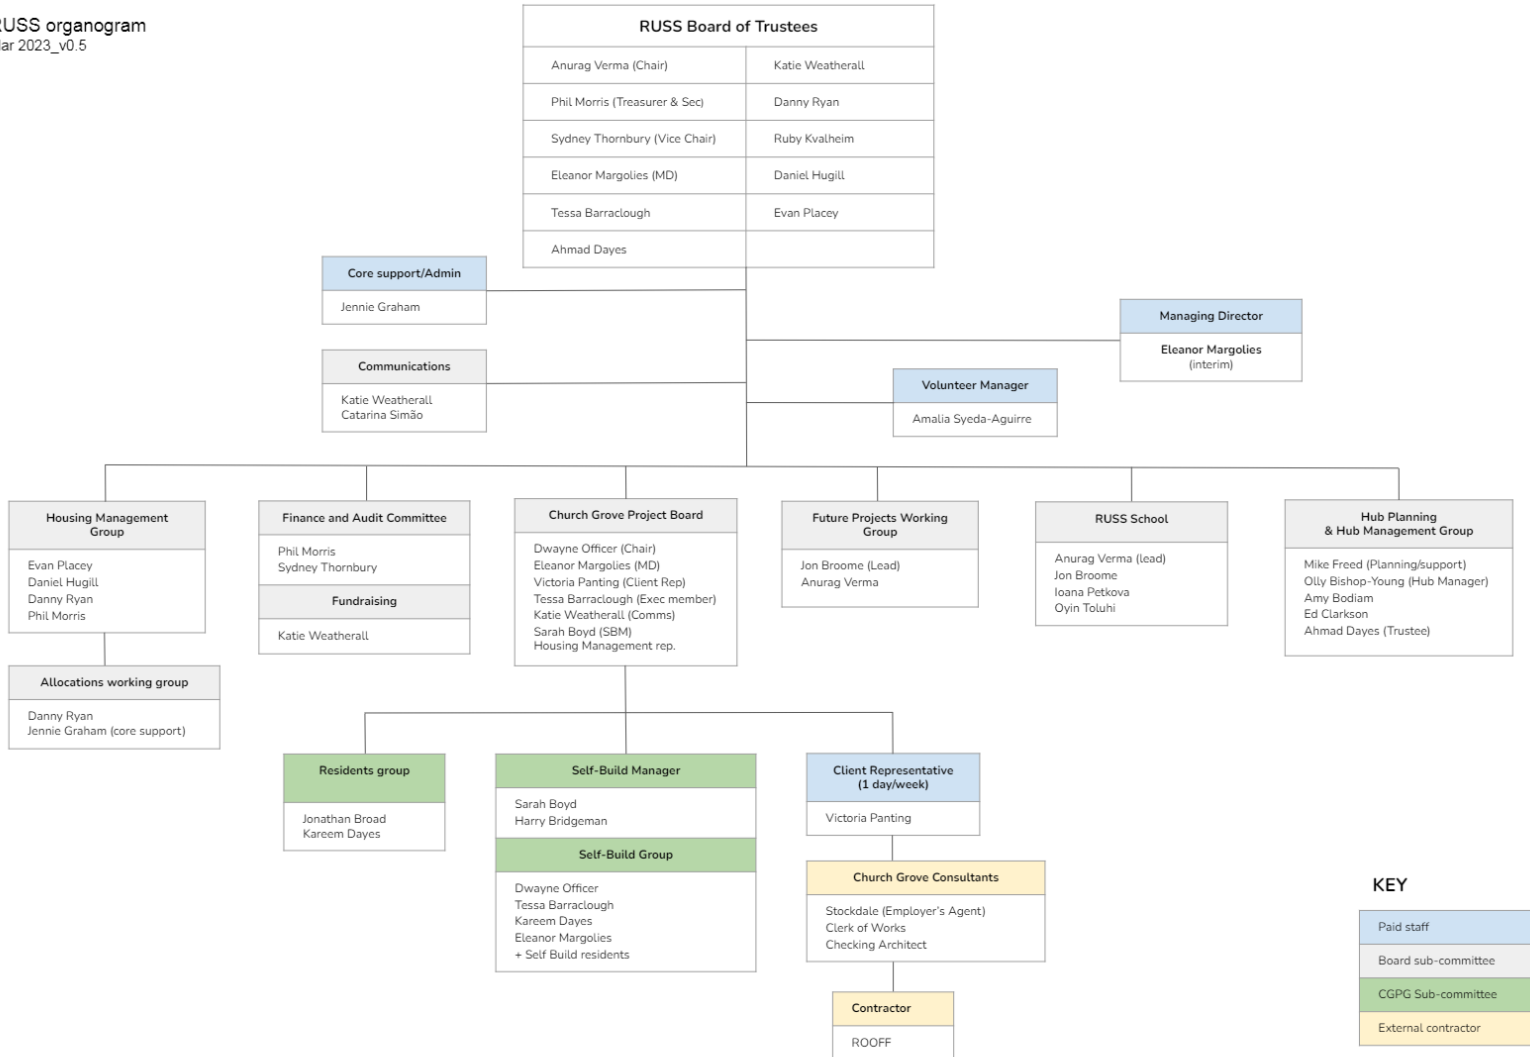

The key sub-committees and working groups currently in operation are as follows:

- **Finance and Audit Committee:** Produces financial statements, management accounts and other financial reports; oversees the annual statutory audit and advises the board about the safeguarding of RUSS's assets.
- **Church Grove Project Board:** Manages each stage of the Church Grove project within the budget set by the Board of Trustees; acts on the Board's behalf as the Client for external consultants and contractors working on the project; reviews risks, issues and exceptions and determines appropriate courses of action, based on recommendations from the Employer's Agent and Client Rep.
- **Future Projects Working Group:** Identifies opportunities for future housing projects within London, bringing proposals to the Board of Trustees; liaises with land-holding bodies on behalf of RUSS for the purpose of securing sites when authorised by the Board of Trustees.
- **RUSS School:** Produces and delivers content for educational courses and School events.
- **RUSS Hub:** Operating and maintaining the Hub for the benefit of future residents and the local community.
